A revised draft notification is sent herewith.

2. Section 13(1) (f) of the Cotton Ginning and Pressing Factories Act, 1925, gives the Provincial Government power to make rules to provide for the powers of entry and inspection which may be exercised by District Magistrates or by any officer specially empowered in this behalf by the Provincial Government. The Provision is primarily intended for rule making (with the added requirement of prepublication under sub-section (2) of section 13), and only incidentally for empowering "any officer". Since in the present case only gazetted officers are to be empowered, and the purpose of entry and inspection is specifically covered by section 3C, the authorization is expressed with reference to section 3C and not to section 13(1) (f).

3. Before the revised draft notification is issued, R.D. should verify that all the officers mentioned in the revised draft notification are ~~the~~ Gazetted officers.
